

## Discover with us the beautiful Croatia!- „Tour of the Zadar Archipelago.“

Book the boat, take a tour and experience with us the beauty of the Zadar Archipelago. This is one of the most beautiful parts on Adriatic sea, with many beautiful islands perfect for sailing, enjoying in nature and researches. This is an ideal opportunity to make your dream come true and experience an unforgettable time. At Zadar Archipelago, you can visit the National Park Kornati, a beautiful natural park of Long Island, island Pag, historical city Nin, old town Zadar and other beautiful places. Zadar Archipelago is the name of the islands that are spreading in Northern Dalmatia. It is a unique phenomenon with over

a hundred islands and islets on a relatively small area, so in the entire Mediterranean is possible to find such an indented coastal line only in Greece. The jewel of the Archipelago are Kornati islands, national park with its 89 uninhabited islands. It is one of the most beautiful places in the world. For this place we can say with certainty, this is God's work. But also other larger islands as Dugi Otok, Ugljan, Pag and Pašman, with numerous hidden places, bays, beaches, where is perfect to spend a day in idyllic peace and quiet on secluded. Most of the islands of the Archipelago are uninhabited, so the guests that visit it with a boat can find numerous landscapes and ambiences that are still in natural, authentic configuration with no human interference.
